Full or part/time veterinary help to maximize our impact in the community.

Cash donations are used to help subsidize our feral cat spays/neuters. To maintain 2011's estimated numbers, we need a \$6600 subsidy.

Other cash donations go toward the purchase of essential supplies and new equipment. Donations also help us maintain, repair and repair existing equipment. We lend our carriers, traps and transfer cages - free of charge. Your donations help us to continue providing this much needed service to the community.
